## Pima Federal Credit Union Introduces the Custom Construction Loan.

**Tucson, Arizona – January 16, 2019** – Pima Federal Credit Union (Pima Federal), a local, full-service, home loan provider, recently introduced its newest loan product, the [Custom Construction Loan](#). In response to a demand for custom home building in the community and the lack of financial providers to fulfill those requests, Pima Federal is positioned to be the local choice for borrowers looking to build a home.

Pima Federal Vice President of Home Loan Origination, Adam Stewart stated, “Our Custom Construction Program was designed with our local community in mind. Our flexibility, pricing, and the ability to finance up to 90% have had such a positive impact on the homeowner and the builder. Our commitment to providing a simple solution and superior service for the consumer sets us apart as a trusted lender.”

In addition to traditional financing options, the Custom Construction Loan is just one of the many unique home loan products offered by Pima Federal. Its loan professionals are prepared to meet the needs of any homebuyer – from assisting first-time homebuyers to borrowers interested in upgrading with a jumbo loan. Pima Federal welcomes professionals within the construction industry to establish a partnership with their team of experts.
