Pima Federal Credit Union Provides \$8,000 in Education Awards.

Tucson, Arizona – September 4, 2018 – Pima Federal Credit Union (Pima Federal) is pleased to announce \$8,000 has been awarded to four high school graduates who will be pursuing higher education this fall through the credit union's Education Award Program. Each of the four students received \$2,000 to help offset the cost of college expenses.

Pima Federal Director of Marketing, Jennifer Overpeck stated, "We are very proud to recognize this year's Education Award recipients. Not only have these students excelled academically, they have displayed exceptional leadership and dedication to improving their schools and communities. We wish these students the best of luck in college and beyond."

As a credit union founded by teachers, Pima Federal has remained dedicated to supporting education in our community and the Education Award is one of the many ways this is displayed. The credit union understands the value of a quality education and realizes the financial burden it can present for a student and their family. Pima Federal strongly believes the investment in our youth will enhance the standard of living in our communities, helping to build a better tomorrow for all.
